REMEMBER **YOUR CAT** MEMORIAL

A very **special memorial** for
very **special cats**.

The grief one feels when losing a beloved cat is no different than losing any of our loved ones. Their habits, unique behavioral nuances, and personalities are what makes them such special companions, and their memory, a treasure. In memory of your beloved companion, you can make a gift that helps every cat, every day.

For a donation of \$100 or more, an EveryCat Health Foundation's **Remember Your Cat Memorial** commemorates your special bond of love while funding the research and treatment that enriches the lives of countless other cats around the world.

*"Heaven would not be Heaven unless my cats
are there to welcome me."*
