

## EVERYCAT HEALTH FOUNDATION VOLUNTEER PROGRAM Fact Sheet

### Our Mission and Vision

EveryCat Health Foundation advances feline health by supporting groundbreaking research and education. Every cat, every day, everywhere benefits from our foundation.

Volunteers and Interns are essential to providing the level of program delivery necessary for EveryCat to achieve its mission and to grow its network. EveryCat Volunteers are empowered to clearly communicate our mission and vision, working to

- inspire commitment to feline health,
- raise awareness of life-saving research,
- encourage financial support of the mission,
- engage everyone who cares about cats!

**VOLUNTEER POSITIONS IN BRIEF.** Details are given in our Volunteer Manual and training is available.

### Outreach and Education Events:

Represent EveryCat at networking events or at education venues and speak on behalf of the organization in an informal setting, such as a booth or table. Host an information table at an event near you. Tabling material will be provided.

### Fundraising Events:

Throughout the year, there are opportunities both in person and virtual, to become involved in our fundraising efforts which support all programs and grants. There are also virtual friendly “competitions” or calls to action where EveryCat needs help getting the word out.

### Content Creation:

Timely and informative updates on EveryCat’s activities can have an impact on cats, cat owners, cat fanciers, veterinarians, and researchers. Volunteers can help with developing creative, fun or educational communication pieces about cats.

### Scientific and Educational Communication:

Education helps us grow the body of knowledge around feline health and medicine, which enables future scientific research. Specialized volunteers are needed to create a variety of educational materials and to write brief articles that summarize advances in cat health.

**Now is your chance to make a difference for every cat. It takes only minutes to apply. Click to fill out the [Volunteer Application Form](#).**

*A completed application is required of all volunteers. Volunteers should inform their references that they will be contacted by email from [volunteer@everycat.org](mailto:volunteer@everycat.org) Please note, several of the above positions will also require submitting a CV and/or social media handles.*
